Re: Customer Reference – Nadler Modular

Nadler Modular has been our supplier of modular units for the past several years. Accordingly, I have no hesitation in recommending them as a company with which to do business.

At present, I have several Nadler modular units at our communities. The units have always been delivered and removed on a timely basis. Any service issues were immediately addressed and corrected.

It is a pleasure dealing with Nadler's staff, who are always professional and courteous.

Sincerely,

MaryAnn Binda
